

TESTRELIC AI — LEGAL

Cookie Policy

Last updated: June 30, 2026

This policy explains how we use cookies and similar technologies on our website.

1. What Are Cookies?

Cookies are small text files stored on your device when you visit a website. We also use similar technologies such as local storage, pixels, and SDKs. Together these help the site function and help us understand how it is used.

2. Categories of Cookies We Use

- **Strictly necessary:** required for core functionality such as security, navigation, and remembering your consent choice. These are always active.
- **Analytics:** help us understand usage and improve the site (e.g. Google Analytics, PostHog). Loaded only with your consent.
- **Advertising:** measure the effectiveness of our marketing (e.g. Google Ads). Loaded only with your consent.

3. Managing Your Preferences

When you first visit, we ask for your consent before loading any non-essential (analytics or advertising) cookies. You can change your choice at any time by clearing your browser's storage for this site, which will prompt the consent banner again, or by using your browser's cookie controls. Declining non-essential cookies does not affect access to the Services.

4. Third-Party Cookies

Some cookies are set by third parties we use, including Google (Analytics and Ads) and PostHog. Their use of data is governed by their own privacy policies.

5. Changes

We may update this Cookie Policy and will post the new version with an updated date.

6. Contact
